

St. Hedwig 50th Anniversary Parish Directory

Why sign up for a family portrait?

The professional sitting is free, and you will receive a free 8x10" individual or family portrait on fine Irish linen as a memory to cherish forever.

Why sign up for the Parish Directory?

It's a special opportunity to make the St. Hedwig family album complete on the occasion of our 50th anniversary as a parish, and you will receive a free directory as a wonderful memento. You will find it an invaluable resource for remembering and locating parish families and faces.

Can we really sign up other family members, neighbors, and friends?

Yes—it's free for them also, and they too will each receive a free 8x10" portrait. If they are not parishioners, all they need to do is mention that the picture is not for the directory.

What if we take a fabulous family portrait and wish to purchase extra pictures?

You will be able to preview your photos and purchase extra portraits, cards in time for Christmas, etc., however, there is no obligation to do so.
